Dear Sir / Madam

Ref: TESTIMONIAL FOR NSUKU MAREANA

This is a TESTIMONIAL for Nsuku Mareana who completed his Grade 12 at Meridian Cosmo City in 2023.

Nsuku is a hard-working, diligent learner who has performed immensely well in all his subjects for the academic year of 2023. He achieved an APS score of 47 points in his final matric results, this thus shows his dedication and commitment.

Additionally, Nsuku's recognition as the overall top achiever in Grade 12 with an impressive average reflects his commitment to excellence. In addition to his academic strengths, Nsuku is a well-rounded individual, having qualities such as team player, teachable spirit, a keen sense of urgency and accuracy as well as being the best person one can reach for assisting other classmates. These traits make him an excellent candidate for both academic and practical challenges. His passion for problem-solving, combined with skills in programming, creative thinking, and adaptability, ensures he is well-equipped to handle the rigors of any demanding field.

Should Nsuku be given the opportunity to be recruited to this bursary, I am assured that he will be able to maintain his excellent performance and be a good example to future bursary applicants and put the community on the map.

I hope that my recommendation will be considered. Please do not hesitate to contact me on 0677811633 or email pharo.d@curro.co.za.
