Professional Summary

Mechanical and Mechatronics Engineering student at the University of Cape Town with a strong academic foundation and demonstrated experience in tutoring, leadership, and financial management. Proven ability to communicate complex technical concepts clearly, manage budgets responsibly, and contribute effectively within collaborative environments. Passionate about leveraging engineering and technology to advance education and deliver sustainable, real-world solutions.

Education

University of Cape Town | 2024 - Present

- BSc Eng in Mechanical & Mechatronics Engineering
- Dean's Merit List (2024)

Meridian Cosmo City | 2023

- National Senior Certificate
 - Dux Learner of the Year (2023); Best Learner Awards in Mathematics, Physical Sciences, Accounting, Geography, and English Home Language
-

Leadership Experience

Residence Academic Tutor | Avenue Road Residence, University of Cape Town | 2025

- Provided academic support to first-year engineering students in Calculus, Physics, Chemistry, and Introduction to Mechanical Engineering, contributing to improved academic performance and confidence.

Private Tutor | Freelance | 2025 – Present

- Tutored high-school learners in Mathematics, Physical Sciences, and Accounting through adaptive teaching strategies aligned to individual learning needs.

Treasurer | IEEE Engineering Society, University of Cape Town | 2024 - 2025

- Managed financial records, budgeting, and financial planning in collaboration with the executive committee.
-

Skills

Technical: MATLAB | SolidWorks | Engineering Drawing | Python | Microsoft Excel

Financial & Analytical: Financial Management | Budgeting | Financial Planning | Data Analysis | Problem-Solving

Professional: Leadership | Academic Tutoring | Technical Communication | Teamwork | Collaboration
